Patient Information

Patient ID: anonymous

Report ID: 1753343626523

Patient's Input (Transcript)

Symptom: None

Transcript: Hello Doctor, I have a lot of pain in my knees, please help.

AI Diagnosis

With what I see and hear, I think you have knee pain possibly due to muscle strain or osteoarthritis. I would suggest some rest, ice packs to reduce swelling, and over-the-counter pain relievers to alleviate your symptoms, and if the pain persists, we can consider physical therapy or further evaluation.
